## sexual health

We are **Leeds Sexual Health Service**.

We help with your sexual health.

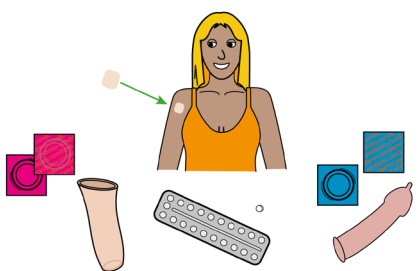

## sexual infection

## Our services:

- Tests and treatments for **infections** you can get after having sex.

## contraception

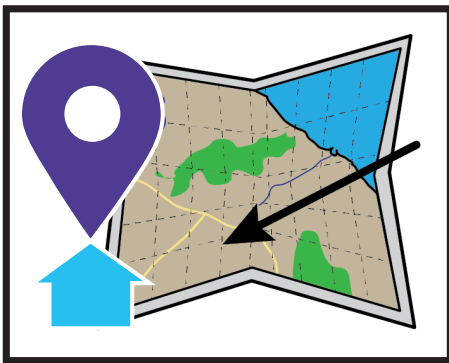

- Different ways to stop you from getting pregnant. This is called **contraception**.
- Test to see if you are pregnant.

- Preventing a pregnancy after you have had sex. This is called **emergency contraception**.

- Test to see if you have **HIV**.
- Give you medication called PrEP which can stop HIV from getting into your body.
- Give you medication called PEP if you have had sex in the last 3 days and think you may get HIV.

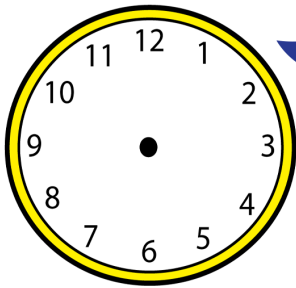

## Where we work

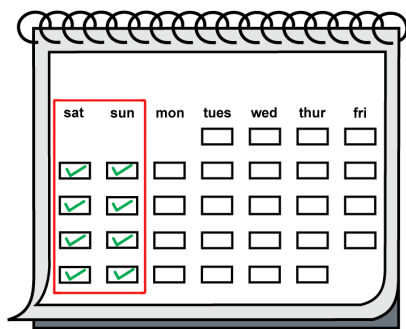

During the day on Mondays to Fridays, we work out of these health centres in Leeds:

- Beeston Hill Health Centre (LS11 8LH)
- Armley Moor Health Centre (LS12 3HD)
- Chapeltown Health Centre (LS7 4BB)
- Seacroft Clinic (LS14 6PF)
- Gateway West - Leeds city centre (LS9 8DA)

## evening

## weekend

We also have evening and weekend appointments where you can get contraception if you do not want to get pregnant.

Appointments are at these health centres:

- Windsor House Surgery (LS27 9NB)
- Burley Park Medical Centre (LS4 2EL)
- Harehills Community Health Centre (LS9 6EZ)

For information, please call us on

**0113 843 4495** between 8:30am – 4:30pm, Monday to Friday.
